***RE: Response to your Letter dated 9/4/05, Citing Multiple
Civil Action Numbers (noted below)***

Dear Mr. Correa:

This office received a letter from you requesting the status of your cases along with various requests for information.

Please note that in order for your papers to be accepted for filing they should be in the form of either a pleading or motion pursuant to Federal Rule Civil Procedure 7 and must reflect service on defendants' counsel, when applicable. Consequently, the Court will not act on your letter request, as presented without proof of service. Each separate pleading should pertain to one specific civil action (case), and indicate the case number and caption at the top of the first page. A certificate of service should be attached to the back of each pleading.

In order to have correspondence from the Court and from Defendant's counsel mailed to you, both must have your correct mailing address. In the future, please notify both the Clerk's Office and defendant's counsel of any changes in your address.

Be advised that this office is unable to render legal advice and therefore we are unable to provide guidance regarding transfer of cases or other general procedures pertaining to other Courts.

For your convenience and information, enclosed is a copy of the Court's docket sheet for each case which includes your name. You will be able to see the status of each case and note which documents have been filed to date.

I trust that this letter answers your questions concerning this matter. Nothing contained in this letter is intended to express an opinion as to the merits of any claims which you may be alleging.

Sincerely,

/rbe
